

## Academic Year 2025-2026

Date: 14: 09: 2025

Dear Parents,

### Sub: **GUIDELINES FOR TERM 1 STEAM PROJECT (GRADES 6–8)**

As part of the Term 1 ongoing assessment, our students will be engaging in Integrated STEAM Group Projects, combining concepts from Science, IT, Math, English, Social Studies, and French under the guidance of their teachers.

#### **AIM :**

- ❖ To encourage students to learn by working together and merging knowledge from different subjects.
- ❖ To help students apply classroom learning to real-life situations while enhancing 21st-century skills.

#### **BENEFITS :**

- ❖ Children connect ideas from different subjects, collaborate in teams to enhance their thinking skills, improve communication, and build confidence in sharing their ideas.
- ❖ Students take ownership of their projects, develop independence, complete tasks with **less time and effort, and require minimal support from parents at home.**

#### **GUIDELINES:**

- ❖ The project topic, detailed guidelines, and evaluation criteria will be uploaded on TEAMS and explained in class.
- ❖ Students will collaborate in groups to complete the assigned project at school .
- ❖ The final project will be exhibited on the assigned date, where each team member will present their work.

We believe these projects will inspire our students to explore, innovate, and grow into confident learners. We request you to motivate your child to engage actively.

Thank you for your constant support and cooperation.

Warm regards,

Principal
